Additional Comments/Anything else you would like to share: Life has pulled me some punches, with the loss of my daughter to cancer at age 29 and the recent loss of my husband from a farming accident, but I'm learning to trust God -for He knows what is best. My struggles have made me stronger, a better listener, and given me compassion for those who grieve. No matter what-God is good all the time. He is my Strength-I could never walk this journey without Him.

Upon graduation from Indiana University, I moved to Florida and began teaching. Throughout the next thirty-six years, I was a teacher, resource teacher, assistant principal and principal. I recently retired as an elementary school principal.

I am married to Tim and combined, we have 4 kids with 6 grandkids and another coming in February!! We live in Lakeland, Florida.

Now that we've retired, we hope to do more traveling for ourselves as well as visiting our children. Two of our children are in the military, so they are in various locations and 2 are still in Florida.

I hope the next 40 years are as adventuresome as these last ones. I also hope to be as active then as I am now. 😊

Shawn lives in Carmel and is nearing his 25th year of working for himself, doing magazine, education and foundation photography work all across the country. Thankfully wife my Sue, who I met while at IU, continues to work away at Eli Lilly in Indianapolis. Our son Stephen is a Purdue computer and electrical engineering graduate working for computer chip manufacturer Intel in Portland, Oregon. A great place to visit - an hour from the Pacific Ocean and an hour from climbing up Mount Hood (him, not me) - but it's a long ways away. Our daughter Sara is a senior studying nursing at Xavier University in Cincinnati - one more tuition payment to go! She has been working at renowned Cincinnati Children's Hospital while going to school and during the summers and where she will hopefully be employed full time next summer working in pediatric oncology. Thankfully their mother was an excellent student!

I am still living here in good old Princeton after all these years.

I am married to Angela Lacy (also from Princeton).

Have five kids, Jason 25, Sophie 17, Henry 14, Juliet 11, and Charlie 9.

Kids are all into soccer, baseball, basketball, football, gymnastics, cheerleading, bowling, 4-H, Talent and Beauty contests, and more.

They are all extremely talented. We are very busy every day. I wouldn't miss a minute of it.

I worked in the Agricultural Distribution business from 1978 to 2008. I currently work for a Toyota supplier named Vuteq.

Angie is an Assistant Director of Nursing at Deaconess Hospital.

We love vacations, good movies, and fantasy football. I love reading when I get the chance. Good mysteries and any American Civil War books I have time to check out. Happy they finally made the Hobbit and Lord of the Rings movies.

I am so glad that I still have my best friend since High School. David Binhack is the best friend you could have
